Dear Madam,

It is a matter of great pleasure to congratulate CORE Group Polio Project team on achieving the goal of Polio Free India. This historic and remarkable achievement is a victory for the whole world. I have been highly impressed with the CORE's determination and collaboration with other polio partners like WHO, Unicef, Rotary International and Government in delivering intensified social mobilization efforts in the districts Moradabad & Sambhal. We along with the entire Government staff remained involved in the activities and succeeding in overcoming the hurdles.

Let me mention the contribution of some of the outstanding personnel including Mr Mohd Ataur Rab, Mr Ranpal Singh and team.

CORE has played vital role in India's polio eradication efforts. Your contribution by establishing "Polio Chowk" and "Polio Gallery" in Moradabad is a remarkable example of engaging civil society and achieving public health goals. My heartfelt congratulations to you & your team.

Once again, I would like to thank you for your unwavering commitment in giving polio free world to the children of India. I hope your team will continue to work for polio eradication and routine immunization till the world is declared polio free.

With regards, Sincerely

(Shiv Shankar Singh)
