**Countries:** Brazil, Colombia, Dominican Republic, Guatemala, Honduras, and El Salvador
Digital tool description: Design with the user

• Data collectors
• WV national office’s staff
• Ministry of health staff
• WV headquarters’ staff
• WHO/PAHO staff
Digital tool description: understanding the ecosystem

- Data collectors experience with mobile technology
- Networking connectivity
Digital tool description: be data-driven

- Data captured repackaged for stakeholder dissemination
Digital tool description: Collaboration

- Ministry of Health
- Community members
- Sharing of data and lessons learned
Digital tool description: Sustainability

- WV’s national offices
- Alternatives financial resources
Digital tool description: Address Privacy and Security

• Full control of data stored
• Full administration rights
Results: Sources of information on ZIKAV
