The USG Global Nutrition Coordination Plan: Breaking Down Silos to Support Effective Implementation

CORE Group Webinar 2018
Purpose: To strengthen the impact of the many diverse nutrition investments across the U.S. Government through better communication, collaboration, and linking research to program implementation

USG Global Nutrition Coordination Plan

Approaches

1. Support country-led nutrition efforts
2. Promote leadership and partnership at the global level
3. Generate, share, and apply knowledge and evidence in a systematic fashion
USG Global Nutrition Coordination Plan: Progress

- Action and Responsibilities of GNCP
- Structure and Formation of the technical working group and sub-working group
- Examples of cross-agency collaboration and activities in the past two years
Global Nutrition Technical Working Group
