Active case search going on at Bute Ghoda village (Wajir North Sub-county).

**Photo:** Amin

Map: Priority sites visited in Kenya & Somalia
Challenges

- Competing priorities for SCHMT due to Cholera outbreak that led to postponement of activities in Kamukunji
- The out-migration of pastoralist to Ethiopia from Mandera county has increased low turnout and high defaulters in the project areas.
- There were reports of insurgents movement along the border the Wajir county with Somalia hence affecting the movement of the field teams

Planned activities (May 13-19, 2019)

CGPP-HOA Secretariat

- CGPP HoA secretariat to participate the USAID/CGPP GHSA monthly meeting to update him on the progress, challenges and way forward.
- CGPP/UNICEF Kenya coordination meeting.
- CGPP/WHO HOA coordination office planning & coordination meeting.
- GPEI partners and Tripartite meeting
- CGPP/CDC Atlanta teleconference (Skype)
- CGPP-GHSA introductory call (Skype)
- Joint KRCS/USAID/CGPP TOT training on CBS Zoonotic disease surveillance planning meeting at CGPP HOA Secretariat offices
- Polio SIA planning meeting at the DSRU-MoH offices

CGPP-HOA Partners Project field teams

- CHV Monthly meeting in Kamukunji, this will enable the PO get insight of activities undertaken the whole month
- Conduct integrated supportive supervision in Wajir south sub-county
- Conduct/Support Epi outreaches, Social mobilization, active case (AFP & Zoonotic) search in hard to reach areas.
- Conduct data review with facility in charges and community mobilizers of Wajir south cross border facilities. The objective is to harmonize data at all the levels in the county.
- Special population tracking in Garissa to map the migratory routes for better planning.
- Identification of Animal health disease reporters in Mandera who will be supporting the GHSA activities.
