PLANNED ACTIVITIES FOR NEXT WEEK (12-18 APRIL 2021)

- Community mobilizers, Community Health Volunteers and health care workers training at the facilities to be conducted in Gedo region.
- AFP, zoonotic and Routine immunization surveillance.
- Active case search (AFP, other Priority conditions & Zoonotic Priority disease).
- Routine CGPP project activities e.g Outreaches, social mobilization and defaulter tracing.
- Participations of coordination forums at national & County/district level
- Supporting COVID-19 vaccine rollout in border districts in Somalia
- CGP-GHS monthly partners meeting.
- Monthly USAID-CGP-GHS meeting.
- GHS and Polio early warning infrastructure mapping.

CHALLENGES

- Political tension & prevailing security issues affecting activities in Lower Juba region of Somalia.
- Third wave of COVID-19 and outbreak of measles as a competing priority factor.
- Population movement in the border counties due to ravaging droughts.
- Border HF in Somalia such as Waraq, Kulbiyo, Degelema closed due to lack of support affecting routine activities.
