### PLANNED ACTIVITIES FOR NEXT WEEK (26 APRIL - 2 MAY 2021)

- Integrated support supervision in Gedo region of Somalia.
- Inception meeting between FAO and CGP-GHS to discuss on areas of collaboration.
- National logistician training for the upcoming SIA campaign.
- Conduct refresher training for CHV/CMs on community-based AFP surveillance.
- Coordination meeting with Jubaland regional MoH officials and Somalia Aid.
- Continuous COVID-19 screening of populations at point of entries in Gedo and Lower Juba regions and project supported areas in Kenya.
- Continuous early warning infrastructure mapping (GHS and Polio).
- AFP, zoonotic and Routine immunization surveillance.
- Active case search (AFP, other Priority conditions & Zoonotic Priority disease).
- Routine CGPP project activities e.g Outreaches, social mobilization and defaulter tracing.

### CHALLENGES

- The surge in Covid-19 numbers and reluctance from the population to observe MoH guidelines.
- Insecurity poses a major challenge due to insurgents.
- Roads in Luuq and Dollow still remain closed due insecurity and accessing the districts is alternated to air which is costly.
- Migration of nomadic population due to ongoing rains in parts of Somalia affecting planned activities.
- Political tension & prevailing security issues affecting activities in Lower Juba region of Somalia.
