SOCIAL MOBILIZATION ACTIVITIES (01/01/2021 - 03/10/2021)

KENYA
- Confirmed cases: 250,114
- Male cases: 144,783
- Female cases: 105,331
- Death (CFR= 2%): 5,140
- Recoveries & discharges: 242,535

SOMALIA
- Confirmed cases: 20,869
- Deaths: 1,133
- Recoveries & discharges: 9,072

A total 314,952 COVID-19 tests have been conducted.

Regions supported by CGPP

Source: WHO Somalia
CHALLENGES

- Population movement leading to High Defaulters in Turkana
- Due to the biting drought experienced in North Eastern part of the country, there's massive death of livestock, high defaulter rates in such of pasture and water.
- Competing priorities by the county e.g., covid-19
- Poor internet connectivity affecting communication and report transmission
