

**GLOBAL HEALTH
INSTITUTE 2024**
**Policy, Programming & Preparedness
for a Rapidly Changing World**
April 10 - 11 | Washington D.C.

**JOIN US FOR SKILLS-BASED WORKSHOPS
AND IMPORTANT PLENARY DISCUSSIONS**

Select sessions will be available to attend virtually.

REGISTRATION FOR VIRTUAL SESSIONS OPEN SOON!

Dear Global Health Institute Participants,

On behalf of CORE Group, we extend a warm welcome to all participants joining us for the Global Health Institute. We are delighted to have you here as we come together to address pressing global health issues and explore innovative solutions to improve health outcomes worldwide.

Building on the success of past CORE Group events, the Global Health Institute represents a continuation of our commitment to promoting collaboration and innovation in global health. Through this event, we aim to identify best practices, share lessons learned, and catalyze action towards achieving our shared vision of a healthier, more equitable world. The Global Health Institute serves as a dynamic forum designed to facilitate meaningful discussions, foster collaboration, and empower participants with the tools and knowledge needed to address emerging challenges in global health.

Over the next two days, you will have the opportunity to engage, participate in thought-provoking discussions, and network with peers and experts in the field. Through a series of sessions focusing on practical knowledge sharing, capacity building, and networking opportunities, we hope this event will help enhance your skills, insights, and provide resources necessary to drive impactful change in your work and communities.

Once again, we extend our sincere gratitude for your participation and contributions to the Global Health Institute. Together, we can make a real difference in the lives of individuals and communities around the world.

In partnership, The CORE Group team.

Day 1: Wednesday 10th April 2024
