

**Community Health Network Fall Meeting
October 11 & 12, 2012**

Call to Action to End Preventable Child Deaths: The INGO Response

Meeting Objectives

- 1) Generate technical dialogue to best contribute to ending preventable maternal and child deaths.
- 2) Strengthen partnerships among participants to advance collaborative Community Health efforts.
- 3) Finalize CORE Group's Working Groups FY13 Workplans, and provide technical updates.
